President Report

CEO Report

As we close out the financial year, Dogs West financial sustainability is again at the forefront of our planning. While we have successfully secured further income for the Association and more ideas to trial in the year ahead, the continuing trend of lower dog

registrations and cost increases in services, is having a significant impact on balancing the budget this year and potentially in 2024/2025. We will continue to stay vigilant in this area and offer the best service possible.

A big shout out to everyone who made our Open Day another great success. The weather was wonderful, the crowds came and the working party and Dogs West staff put together an outstanding event. The Agility demonstrations on the main oval were a huge hit with the crowds, with people lining the ropes to catch all the action. Breed stands were well attended, and the vendors and food vans were all kept busy. And we had lots of enquiries about our events and membership. My sincere thanks to everyone who made it happen.

Pamela Campbell PRESIDENT

I concur with the President's thoughts on the fabulous Open Day. It is such a great opportunity to talk directly to the public and better understand the information and services they are seeking from Dogs West. Performance Sports displays captured interest

and many people wanting more information. Other common comments were 'what training is available' and 'how can I become a member'.

One such project aimed at addressing these exact questions, is the new website development. The new website will improve access to reliable, quality information, as well as improving service outcomes and attracting new members. Excitingly, the meetings have commenced with the Web Developers, and we look forward to keeping you updated on its progress.

Also, this issue includes important information and closing dates on Dogs West's 2024 AGM and Elections that all members need to be aware of. Please take the time to review this information and ask Administration any questions you may have.

FCI Notice

The FCI and the Bulgarian National Federation of Cynology (BNFC) entered into a partnership contract on November 13, 2023. This contract confers on BNFC the status of FCI contract partner. From now on, BNFC is the only FCI contract partner existing in Bulgaria (BG).

The **Latvijas Kinologiska Federacija (LKF)** informs the FCI members and contract partners that

Mrs Sanita Goricka has been definitively excluded as LKF member and breeder **since 3/08/2020**.

In addition, her FCI kennel name "**NOBARTASKRASTA**" has been cancelled from the international FCI kennel name register.

FCI General Committee meeting 2024 Re: Docking & Cropping

The FCI Americas & Caribbean Section and the FCI Asia, Africa & Oceania Section presented a joint proposal to the General Committee of FCI related to the 11 breeds for which the FCI standard has been changed, related to docking and cropping.

The two (2) FCI Sections give a definitive guideline regarding how to deal with the topic as follows: dogs born after 1 January, 2025 will only be able to participate in any dog show if they fully meet the original requirement of the relevant FCI breed standards, but the above mentioned breeds cannot be shown (if cropped/ docked), in any FCI Section/World shows. The FCI

General Committee has no objection against the above statement.

In other words, dogs born before 1 January 2025 can be shown cropped and/ or docked even after the deadline. But they cannot be shown in Section Shows or World Dog Shows after 1 Jan 2025. This is only for the 11 breeds, mostly German and Italian, where the standards were revised 10 years ago.

Change of Criteria for Applications for DWD Titles

Dogs Australia has provided a Summary of requirements for Dances with Dogs titles in relation to the rules which commenced 1 January 2024.

Open and Veteran Classes in Lure Coursing

Information sheet clarifying points for the Open and Veteran Classes in Lure Coursing which the National Lure Coursing Committee Chairperson, Anita Langford has confirmed the committee has requested to be circulated for clarification purposes.

Amendment to ANKC Ltd Regulations

The National Retrieving & Field Trial Committee Chairperson, Ron Jackson has confirmed the committee has identified an error in the RATG rules which occurred at the last rule review with the rules being effective from 1 January 2024. The error occurred in Rule 2.4 pertaining to the eligibility to enter the Open Stake of RATG. Refer below.

Currently reads:

2.4. To be eligible to compete in an Open Retrieving Ability Test, a dog must not have gained any of the following Titles as defined in the Rules for the Conduct of Retrieving Trials for Gundogs (effective 1 Jan 2010) – RRD, AARD, RT CH, Nat RT CH, Grand RT CH.

The committee has agreed the rule should read as follows as the correct interpretation.

2.4 To be eligible to compete in an Open Retrieving Ability Test a dog must have gained its Novice Retrieving Ability Test (NRA) title or gained any one of the following titles as defined in the Rules for the Conduct of Retrieving Trials for Gundogs – Qualified Novice Dog (QND) or Novice Retrieving Dog (NRD).

Dogs are ineligible to compete in an Open Retrieving Ability Test if they have gained any of the following Titles as defined in the Rules for the Conduct of Retrieving Trials for Gundogs:

QRD, RRD, AARD, RT CH, Nat RT CH, Grand RT CH or been awarded a CM (Certificate of Merit) or DM (Diploma of Merit)

Please note the updated RATG rules are now available online from Dogs Australia

I became an All Breeds Judge in 2018 and have been lucky enough to be invited to judge in Russia, Spain, USA, New Zealand, Thailand and all states of Australia. The Celebration of the Best Working Party

Introducing our distinguished Judging Panel for 2024

Olga Meyer (WA)
All Breeds Judge

I began showing British and French bulldogs in 1994. My husband and I successfully bred and exhibited under the Greybull prefix, making up many champions along the way.

Wanting to learn more and become more involved in our sport I commenced judges training in the Non Sporting group in 2011 and attained my All Breeds licence in 2023. I thoroughly enjoy my judging appointments and have been privileged to be invited to judge at the prestigious Western Classic in 2020 and the Top Open Show dog of the year competition.

Over the years I have served on the committees of the British Bulldog Club of WA, the French Bulldog Awareness group of WA, Canine Stewards Association and currently on the Ladies Kennel Club.

I am looking forward to a great day of judging at the COTB All Breeds Show.

Ambre Smith (WA)
Toy, Working Dogs & Utility Judge

I grew up in the USA, where my love for animals centred around competitive horse show jumping, and agility trials with my first pedigree Border Collie. From there, I expanded into competing in rally obedience, tricks and conformation, as my knowledge for training and behaviour grew. This journey then propelled me to Australia with three of my border collies, where I pursued a degree in veterinary medicine with a focus on behaviour and reproductive medicine.

I also started my judging career and currently am licensed for groups 1,5,6 and a trainee for group 7. I am passionate about canine health and welfare, and enjoy sharing knowledge about showing and breeding, while still leaning about all breeds of dogs and connecting with fellow enthusiasts and dog lovers.

Coral Gray (WA)
All Breeds Judge

I have been judging since 2004 when I was showing Boxers, then Miniature Schnauzers and several other breeds. I have imported 3 Miniature Schnauzers from America and 2 white Miniature Schnauzers from Spain. I'm proud to have the honour of owning and exhibiting the first male Australian Grand Champion Miniature Schnauzer and recently titled my Spanish white Miniature Schnauzers creating breed history by doing so.

I've had the pleasure of judging several breeds and Best in Show at FCI International shows in Spain, Philippines, New Zealand, China, Finland together with judging in all states of Australia. In June this year I will be making another trip to Spain to judge one of the major shows hosted by the Royal Spanish Kennel Club to judge Best in Show, truly an honour.

NEW CORPORATE SPONSOR - PD INSURANCE

We are excited to announce Dogs West new corporate sponsor, PD Insurance, a leading pet insurance provider in Australia, offering quality coverage since 2021.

PD Insurance shares our commitment to responsible dog ownership and the health and well-being of all dogs. With PD Insurance's significant experience in the pet insurance arena and their collaborative approach to partnerships, the synergy between our organisations makes this partnership a natural fit.

This partnership assists Dogs West's financial sustainability, while providing our members with exclusive benefits with PD Insurance, and more details will be announced soon.

We have answered some questions below and we encourage you to contact us by email to k9@dogswest.com if you have any additional questions and be sure to join our members Facebook Group for the earliest updates.

Want to know more?

Who is PD Insurance?

PD Insurance is a leading pet insurance provider in Australia, offering quality coverage since 2021. As a division of Pacific International Insurance, which is a wholly owned subsidiary of insurance solutions provider Badger International (established in 1995), PD Insurance combines financial strength and extensive experience with a commitment to local service. Operating globally while maintaining a strong local focus, PD Insurance has become a trusted name in pet insurance, insuring over 167,000 pets worldwide.

Why has Dogs West chosen to partner with PD Insurance?

Dogs West and PD Insurance share a common commitment to responsible dog ownership and the health and well-being of dogs. With PD Insurance's significant experience in the pet insurance arena and their collaborative approach to partnerships, the synergy between our organizations makes this partnership a natural fit. PD Insurance has also been recognized with several awards, including the 2022 Canstar Award for Outstanding Value and the 2022 Canstar Award for Most Satisfied Customers in Pet Insurance.

Does this mean as a member I must use PD Insurance?

While we encourage members to explore PD Insurance and its offerings, we recognise that individuals have different insurance needs and budgets. We encourage you to conduct your own research before making a decision.

As a Breeder, if recommend PD Insurance to puppy buyers, what are the benefits for successful referrals?

As part of our partnership, Breeders will have the option to provide 3 weeks of free PD Puppy Insurance (Starter Cover) to new puppy owners just before the transfer of ownership. This ensures that new owners have peace of mind during the initial period of pet ownership. PD Insurance will then contact the new owner to discuss their insurance options for continuing coverage.

Breeders will receive a \$100 reward for each new owner who converts their Starter Cover into a Full Insurance Policy for their pet. This aims to contribute to the Dogs West Breeders' community while providing added value to new pet owners.

LITTER REGISTRATION FORMS – INFORMATION FOR BREEDERS

One of the biggest focuses of the Administration team is Litter Registration Forms.

When submitting a Litter Registration Form please take care with the documents/images you provide. Rather than emailing a photograph of your documents, which can be distorted by shadows and poor lighting, Dogs West recommends the use of Scanning Apps such as Adobe Scan and CamScanner. These apps are free to download and easy to use. We are here to help, unfortunately we can't continue to accept poor and unreadable paperwork.

Please complete your registration forms carefully.

- Is the owner of your stud dog a financial member of an ANKC Ltd Member Body?
- Does your breed have testing requirements and have those results been provided to the office?
- Have you supplied microchip stickers?
- If transferring to new owner/s, have you included all relevant applications?

Pay careful attention to the Important Notes included on our Litter Registration forms.

IMPORTANT

1. TO BE COMPLETED IN TYPE OR LEGIBLE BLOCK LETTERS.
2. The owner of the Dam must have a current financial ANKC Prefix at the dates of mating, whelping and registration.
3. Whenever frozen semen is used, a copy of the Certificate of Use form is to be lodged within ten (10) days of insemination.
4. All litters must be registered - registration after four (4) months will incur a penalty fee. No litter shall be accepted after six (6) months from the date of birth without prior approval of the Administrative Officer.
5. Additions to a litter already registered are not permitted - refer Regulation R2.5
6. CHOOSE M/R = MAIN REGISTER or L/R = LIMITED REGISTER.

NOTE

1. If a second name is not provided and first choice is rejected, then a name will be chosen for you.
2. No name, including the prefix, shall exceed thirty (30) spaces to be used as letters or spaces.
3. Original microchip stickers MUST be attached on form or copies of individual paperwork to be attached. Handwritten or typed microchip numbers are NOT ACCEPTED
4. Once submitted the information contained herein will become property of this body and used as determined by this body (Governing Council 11/1/95)
5. Limited Register Transfers must include a signed Limited Register Agreement at the time of submission
6. Main Register Transfers will NOT include endorsements without a signed Transfer/Lease A Dog Application Form

Another reminder, although the late fees and incorrect paperwork fees contribute to Dog West's revenue, we encourage you to follow Regulations Sections R and ensure litters are registered correctly to avoid these penalties.
