

Subject: Request to Finalise Paperwork for Your Dog's Registration

Dear [Buyer's Name],

I hope this message finds you well, and that you and [Dog's Name] are doing wonderfully together.

I am getting in touch to finalise an important piece of paperwork for [Dog's Name]'s Dogs West registration. At the time of sale, [Dog's Name] was intended to be placed on the **Limited Register**, which simply means that while [he/she] is fully recognised as a registered pedigree dog, [he/she] is not eligible for breeding or conformation showing. This doesn't affect [his/her] eligibility to participate in dog performance disciplines such as obedience, agility, rally, or simply being a much-loved companion.

To complete this process, Dogs West requires a **Limited Register Agreement (LRA)** signed by both the breeder and the new owner. This is a standard form and helps keep the Dogs West records accurate and up to date.

I have attached the LRA for your review and signature. Could you please:

- Read through the agreement.
- Sign and return it to me (by scan/email or post) at your earliest convenience.

Your support in completing this form helps keep [Dog's Name]'s records up to date and allows me to fulfil my responsibilities as a registered breeder with Dogs West.

Thank you so much for your cooperation and support with this. Please don't hesitate to reach out if you have any questions about the form or what it means for [Dog's Name].

Warm regards,
[Breeder's Name]
