President Report

CEO Report

Despite the cold and damp weather our Members have been attending and competing at many events across the wide spectrum of disciplines available. Indeed, many disciplines are thriving thanks to the dedicated and untiring efforts of the many volunteers who make them happen, and to those who take part. Volunteers are the unsung heroes of our Association and deserve both our thanks and respect.

Conformation entries at the same time are variable, as the weather bites and we move through challenging economic times. It is the same Australia wide and follows a similar decline in National litter registrations since the peak of the covid period.

Discussion about financial constraints, falling participation in conformation events and static membership numbers of Member Bodies is appearing in social media. Much of the discussion is positive and seeks to put forward suggestions, whilst some commentary is negative, inaccurate or provides partial information.

Discussion is a good thing, and I encourage any Member who has a query or concern regarding our Rules and Regulations or other matters to contact the Dogs West Office to get advice and clarification.

Social Media is not the source of truth.

I also remind Members that your Governing Council are your representatives and are available to answer questions and listen to your ideas and concerns.

There is also a time period allocated at Governing Council meetings for Member Participation, where Members may speak directly to the Council, with the exception of any Governance matters as these are independent of Council.

A positive approach to the future of our Association and activities is the only way forward.

Pamela Campbell
PRESIDENT

As I write this report the rain is pouring over our very green, lush grounds. Amidst the beauty of the cooler weather, Dogs West is planning its lawn maintenance for the Spring period to ensure that all the lawns continue to thrive in the long term.

This year Dogs West will be undertaking core aeration on both the main arena and lower arena. This is currently planned for 20 September, just before the Royal Agricultural Show week. The arenas will be closed to all users until Sanctioned Events commence on 29 September.

This, along with a range of other facility and grounds maintenance will be carried out over 2024/2025 to preserve our precious assets. A necessary investment that we continue to seek the most affordable options to achieve the best results possible.

In other news, by the time this edition reaches you, the Elections and our Annual General Meeting will have already passed. If you attended the AGM, many thanks for supporting the Association with your attendance. All announcements of the Election including the Governing Councillor updates, will be on the website and in the next Canine News.

Sincerely

Marzel Norton

PD INSURANCE SUPPORTS ETHICAL BREEDING

Prospective puppy parents don't always know the difference between backyard breeders and ethical ones. Many also don't know the distinction between purebred and pedigree pups. This makes it easy to support puppy farms or fall prey to online puppy scams.

PD Insurance and Dogs West are committed to upholding ethical breeding and responsible pet parenting. As part of our educational drive, we're sharing PD's Guide to Finding an Ethical Breeder, aimed at people looking to buy a puppy.

Dogs West members can [access this resource here](#) to share it with potential clients, friends, family and the dog loving community in general.

CELEBRATION OF THE BEST 2023-2024

Firstly, massive congratulations to all the winners, and thank you to all exhibitors who entered over the weekend. Well done everyone!

The Celebration of the Best was held in pleasant Winter conditions on Saturday 22 June 2024 with an entry of 29 Neuters, 81 Puppy and 53 Show Dogs. This entry was 58.8% of qualifying dogs, the highest percentage since the event began. Our MC Anna Courtman did an outstanding job, along with our Chief Steward, Stewards and helpers. The GSDA provided a BBQ brekkie and a sausage sizzle, and Brook was there with her Espresso Hound coffee van. Heather provided delicious homemade catering for our judges and officials.

Our Corporate sponsors, Royal Canin, PetStock and PD Insurance provided very generous sponsorship, along with our many donors who provided amazing gift packs, vouchers, and a large variety of prizes which were outstanding. We are sure every exhibitor appreciated them. The prizes were capped off with the spectacular rosettes created by Coral of Edelgeist Enchanted Designs WA. We had two raffles, a St John \$750 gift voucher and the Mega Wine Hamper, these raised a total of \$1,691.40. Thanks Rick! for the extra 40 cents. :)

The Working Party adopted a changed judging format and with our vision of 2 rings with 6 interstate judges adjudicating simultaneously, worked them very well and with a much earlier

than anticipated finish. This was welcomed by exhibitors, especially those showing at our 2 championship fundraiser shows the next day. The prizes and rosettes at the Sunday shows were fabulous and again Royal Canin were very generous with their sponsorship. On Sunday we also welcomed 2 WA judges, both judging their first group championship groups in WA since being elevated, Ambre Smith and Olga Meyer. Olga is also now an All Breeds Judge.

Our distinguished panel of judges were extremely professional and practised at their craft, we loved that they wore a splash of Dogs West colours on the day. Jodie Grieve Photography went over and above as seen in Jodie's amazing photos, wonderful memories in print for many to enjoy. The podium backdrop was donated by Judy Russell and it looked amazing! We extend a special thank you to Dogs West staff for their assistance, especially Sami and Marzel. Also, a big thank you to Roni Oma who sought many of the prizes donated on both days, your assistance to be part of the Working Party was appreciated.

The Working Party for the 2025 COTB and fundraiser shows consists of Maree Birkenshaw, Amy Spencer, Debbie Lambert and myself. We welcome Debbie and Amy, and we look forward to presenting this prestigious event for the enjoyment of all next year.

Choose AWARD WINNING cover with PD Insurance

Vet bills can be expensive just like human healthcare. However, there's no Medicare for pets, leaving owners to pay the bills alone. Pet insurance is helping change this by covering a wide range of unexpected vet test and treatment costs that often run into the thousands.

PD Insurance offers three **AWARD WINNING** pet insurance plans with lightning fast claims. You can take your pet to any qualified vet in the country, make your claim online 24/7 and get reimbursed in as little as two business days. Choose from several excess options and get paid 80% of eligible bills up to the claim limit.

Choose from three dog and puppy insurance plans:

Accident Plan

The Accident Plan is the most affordable option contributing to vet costs for accidental injuries such as limb injuries, accidental ingestion, bite wounds and more. This includes costs for treatments like X-rays, bloodwork, surgery, hospitalisation, prescription medication and more.

Classic Plan

The Classic Plan includes everything covered by the Accident Plan and contributes to costs related to a wide range of illnesses. These include (but aren't limited to) hereditary conditions, allergies, infections, diseases and tummy bugs to name a few.

Deluxe Plan

The Deluxe Plan is the complete package covering everything in the Accident and Classic Plan and dental cover. This includes dental treatments for cavities, fractures, dental disease and more.

Having pet insurance means not having to choose between your pet and your pocket when the unexpected happens. It allows you to make pet health decisions based on their needs rather than what you can afford – freeing you up from potentially heartbreaking decisions.

Third party liability

Each of PD Insurance's pet plans also includes third party liability insurance as a built-in benefit. This protects you financially for damage your pet could cause other people or their property. Chewed through furniture at your holiday getaway or your dog snapping at the neighbour's cat and accidentally catching its tail? There could be oodles of costs you're liable for which is where this benefit helps.

More great benefits

Enjoy more benefits like a Multi Pet Discount when you sign up two or more pets, up to \$150 contribution in switching fees (we'll pay this per pet) and one month of FREE pet insurance.

Exploring dog **DENTAL HEALTH** with PD Insurance

Symptoms, Treatment and Prevention

Like people, dogs can be predisposed to certain oral health issues as they age. According to the Australian Veterinary Association, 80% of pets over three years, experience some form of dental disease. Certain breeds including smaller breeds and brachycephalic breeds are also prone to oral health conditions due to genetic factors and size.

This needn't sound alarm bells. As PD Insurance shows, it's an opportunity to put preventive care in place and learn about safeguards such as pet insurance with dental cover.

Dental problems in dogs

Many common doggy dental issues are familiar since humans also experience them. However, dogs use their mouths far more and are also likely to break their teeth on rocks, bones and other hard objects.

Some common doggy dental issues include but are not limited to:

🐾 Plaque and tartar

Plaque is the soft filmy layer that develops on teeth daily. We humans remove this by brushing, flossing and gargling. Over time, plaque hardens into a cement like texture called tartar - only a vet dentist (or oral hygienist in our case) can remove this.

🐾 Gingivitis and periodontal disease

Gingivitis is inflammation of the gums, caused by bacteria which results in swelling, redness and sensitivity. Left untreated it can progress into periodontal disease, causing permanent tooth and bone loss.

🐾 Abscess and tooth infection

Bacteria that infiltrate cracks or cavities can cause infection in the tooth, gums or jawbone. This initially causes inflammation which then progresses to form an abscess.

Spotting doggy dental problems isn't always simple. We may complain of discomfort or pain, but our canine companions can be good at masking pain (not to mention they speak 'Woof').

Signs of problems can include bad breath, not eating normally, bleeding or red gums, drooling more and not letting you touch their head to name a few.

Keeping canines shining bright

Maintaining routine vet check-ups, brushing your dog's teeth and giving them dental chews can all support good oral health along with a tailored diet that's specific to breed, age and health.

HISTORY OF THE CANINE ASSOCIATION OF WESTERN AUSTRALIA INC ORIGINALLY THE WEST AUSTRALIAN KENNEL CLUB INC

In the last edition, we shared our historical roots from those early days as The West Australian Kennel Club, before we were reconstituted as The Canine Association of WA, to most recently incorporating the trading name Dogs West.

In those early days, our members didn't have the Canine News; instead, all the key highlights from the dog world were featured in The West Australian Newspaper. Take a look at some critiques that were published on 12 May 1898—over 125 years ago!

The West Australian 12 May 1898

The WA Kennel Club held its inaugural show on 6 and 7 May 1898 in the Olde Engliyshe Fayre Grounds, Perth – a first rate place for an exhibition of the kind. The committee should feel very flattered that such a good entry was the result of their energy – nearly three hundred exhibits being present. There consisted, unquestionably, some of the best specimens of their respective breeds in the Australian colonies.

Excerpts from the published notes on the exhibition by the judge - Mr WJ Smythe

Newfoundlands

Only one entry, a fair headed dog with good legs and feet, but very curly in coat.

Greyhounds

Dogs had a fair entry, a really good dog in Musket winning, the remainder were rather coarse. In bitches there were only two – a young bitch Beauty winning (a shade long in coupling_ from a good old one, who has seen her best days.

Mastiffs

Only two entries and great room for improvement

English Setters

This class, though small, for quality was second to none in the show. The nwinning dog Cranstone's Avonwold Shot – a beautiful blue belton with a grand characteristic head, good body, feet and legs and shows to advantage. The other exhibits were a useful lot but not up to show form. In bitches, the owner of the dog classes was again successful with a very handsome white bitch with lemon markings, beautifully bred and a good shower in the ring. Also successful with a promising puppy, which might have been in better form, but won easily against a coarse large upstanding puppy.

Retrievers

These were very moderate in quality and both were browns. This is a class where there is great room for improvement being also a very useful breed of dog.

Collies

This was one of the features of the show – some really first class animals were exhibited. Some of the younger stock if they continue to go on as they at present appear will be difficult to beat in any part of the Australian colonies. In Novice dogs,

Aberfeldie Prince won – a very handsome, upstanding puppy with a beautiful head but a trifle narrow in sku, not quite straight in front, fails in head to Joler and does not show himself in the ring. Il. Second was Bonnie Charlie – another good young one with splendid coat but tail carried a trifle gaily. Among WA Bred, Laddie won – a very promising puppy, although young he shows great quality standing on good feet and legs with nice body and carriage of tail, with a good long head with nice ears.

Irish Terriers

These were well represented. Only one entry in Novice – Pat – a nice sized dog, rather long in couplings and light in colour, his profile is not correct being full over eyes. Puppy Dog was Pincher – a smart puppy with nice carriage of ear, a good colour, long head, good dark eye and expression, but rather light made up and fine in bone, his coat being rather short. In Open Dog class, Tyrone Mexa won easily – grand body, good coat, grand straight legs and good feet. Westralia Conn – commended - does not do credit to his sire or dam being woolly in coat and face with a full light gooseberry eye and light in coat colour.

Fox Terriers

These classes were not quite up to my expectation. Novice class being only moderate in quality – won by Perth Result – good in coat and body but deficient in head, second was similar – too high on leg and short in face, with third had a fair body but thick in skull.

There is great room for improvement and the introduction of new blood, which is easily obtained from the other colonies. Open dogs brought far better quality – Corio Joker shows himself to the best advantage, having a good body, coat, straight legs and good feet, a nice size and excellent quality. Second was Dookie Jack – rather thick set, not quite straight in front, fails in head to Joker and does not show himself. Third was Eggesford Foiler – a very much overrated Terrier, his age is telling on him and he is weak in front and his ears are not properly set on being too flat to his skull. He was shown dirty.

Indeed a great many of the exhibits were not fit to be seen on the show bench and exhibitors will have to learn to show their dogs clean to give them the chance that they require against good specimens in their respective classes.

Open bitches contained the gem of the Fox Terrier classes – Glendon Marvelle – a gem of the first water, a Terrier in character and outline, grand body, good head carriage of ear and eye, grand straight legs and good feet. She is full of fire and always show to the best advantage.

Black and Tan Terriers

Orton's Florry is one of the best specimens of the breed in Australia. Only one other exhibit and that is a very poor specimen.

Researched by Ken Winter

Britbull British and French Bulldogs and past committee member of the WA Kennel Club

Compiled by Ann Rushby – Life Member of both the Canine Association of WA Inc and the West Australian Kennel Club Inc.
