President's Report

The COVID lockdowns and restrictions have been disruptive and frustrating, but compared to the wider world we are very lucky to call Australia home.

We are particularly fortunate in Western Australia, where we have had no community transmission for over 10 months, and enjoy freedoms that are the envy of the world.

Many events and activities for Members and their dogs have resumed, not quite to pre-pandemic levels, as snap lockdowns and

border restrictions come and go from State to State and make the certainty of holding events with interstate travellers problematic.

One thing that has not gone away, and remains a concern, is the proposed Stop Puppy Farming Bill.

Your Executive remains actively engaged in keeping the concerns for our Members and their dogs up to all Candidates and sitting Members from all Parties, and to the highest levels of Government.

Dogs West believes there is an opportunity for the next Government to include exemptions for Dogs West members to the Draft Bill before it is reintroduced to the new parliament.

This will remove politics from the debate and address the concerns of our thousands of Dogs West members.

Members, if you have not already done so, please, step up and contact your local Member and Candidates to advise them of your concerns. Ask them to support changes to the Bill that will fix the problem, and save a lot of distress for all Dogs West Members.

Discuss the issue with family, friends and companion owners, and ask if they would support a change to the proposed Bill, and contact those standing for election and voice their concern and support for Dogs West.

Your Council is committed to raising the profile of Dogs West in the community, whilst also ensuring that our Members adhere to our Code of Ethics and Rules and Regulations, to maintain our "gold standard" (Lisa Baker, MLA).

More news of these initiatives will be released in due course.

Ms Pamela Campbell, President

Just because you do not take an interest in politics doesn't mean that politics won't take an interest in you.

Chief Executive's Report

Since my last report, I have been reminded again of the strength of community spirit within Dogs West membership.

During the 5 day lockdown, a number of events had to be cancelled or postponed. It is never easy to advise people that the event they have been looking forward to is not able to go ahead, and while opinions can vary about how things should be dealt with, it was great to hear reports of the support shown to club committees making the difficult decisions.

The next challenge was the Woorlooloo bushfires, affecting a portion of our membership by evacuations, loss of property and almost a full week of emergency alerts. Again, the support shown was nothing short of amazing. Offers of accommodation for those affected flooded the 'dog' facebook groups immediately; donations to stockfeed outlets in the affected areas providing supplies; Royal Canin provided free dog food to members in need; fund raising trials planned.

Sadly, there is always a certain type of person who will try to take advantage of the challenges life throws at us. In the office, we have noticed a marked increase in 'scam' websites and adverts, including instances of valid Dogs West membership numbers being used without their knowledge or permission of the member. This is of serious concern to Dogs West.

The ANKC Code of Practice for Responsible Dog Ownership states:

- 32. It is mandatory for an ANKC Ltd Member Body Membership Number to be displayed on any advertisement for dogs whatever the media and all members must include the following wording in their advertisements:

"Please contact Dogs [insert State/Territory] on email: [insert email address] to verify my membership".

When Dogs West office staff receive these requests to verify breeders' details, we check as many details as possible to verify the person using the membership number **IS** the member. We routinely ask for the name of the member the puppy buyer is dealing with, the telephone number used, and the email address and check these against our records. If we are unable to verify, we will suggest more details be gained before we can verify.

We do our best to protect both our members, and puppy buyers, from unscrupulous scammers. You can help us by ensuring your details are kept up to date. If you have recently changed email or telephone number, just send us an email, including your membership number.

Caroline Shaw, Chief Executive

2020 was certainly a challenging year for us, however a great year to spend more time at home with our dogs.

In Western Australia, we were lucky enough to still be able to enjoy our sport towards the end of the year and with that, be able to hold a state final with our Judge Mrs. Coral Gray having

the pleasure of putting the children through their paces. We thank Coral for being so great with the children.

Our junior handlers are so well supported by our dog show community. It was a great enjoyment prize shopping to produce a spectacular prize table.

A big thank you to those members who put there hands up and jumped in to help get prizes as well to allow us to put the event together in such a short time frame.

From rounding up your show entries on show manager, cash donations and products we have received for this event, it is all so greatly appreciated, you only have to look on the childrens faces to see the joy.

The West Australian dog show community should be so proud of how they support the future of our sport. Thank you all so very much.

The new year brings a change to the DogsWest Working Party with Sarah and Josh stepping down from their roles. We wish them all the best as they take a year to wind down their responsibilities to enjoy showing/ sports with their dogs. Julie Harris and I will remain on the working party, we look forward to a year of heats, Tiny Totts, training and fundraising for our up and coming National Finals.

Wishing your families good health and a successful 2021.

2020 RETRIEVING TRIALS IN W.A.

Retrieving trials in W.A. were affected by Covid restrictions in 2020, but we were so lucky, when those restrictions were eased, and we were able to conduct three Novice, three Restricted, and three All Age stakes over four weekends during July and August.

The Gundog Club of W.A. Novice trial on July 18th, with C Thorburn judging. This was a celebration of the GDC's 75th Anniversary. 1st place winner was Golden Retriever dog, Roux (Ellishea Wyatt's Le Roux) owned by Alex Deasy with 182 points. NFP.

In the Restricted Stakes the winner of 1st place was Maggie Hankinson's Labrador bitch, Solar, (Booermagic Solar Flare) with 172 points. NFP. 19th July, the All Age was held. A Bartram was the judge, and some challenging runs with difficult terrain sorted out the rusty dogs. 1st placing went to Heather Ellis and her Goldy bitch, Flash, (Ellishea Wyatt's Flash), with 154 points, with 2nd place going to Heather's Golden boy, Phoenix (Ellishea Just Cussy), on 136 points. In 3rd place was Eva, (Booermagic All Saints Eve) and Colin Hankinson with 135 points. 26th July - Retrieving Club's Novice & Restricted stakes. Judge R Johnson set some interesting runs for the Novice dogs. Anthony Nesbitt, with his GSP Dora (Demorz All The Rave), winning 1st place on 178 points. In 2nd place was Alex Deasy and Roux with 175 points, and 3rd place went to Shaun Gibbon with his Labrador Max (TalulaPark The Hitite) with 164 points.

For the Restricted stake, Ray began with triple retrieves for the first two runs, with a variety of game. A runoff for 1st place had to be conducted, with the outcome being, in 1st place on 163 points, Maggie Hankinson and her Labrador Solar, ahead of Kerry Webster and her Labrador, Tux, (Brigodee Diamonds Bow Ty N Tux) in 2nd place, also on 163 points, and in third place on 162 points was Kerry Webster's Labrador Dice, (Brigodee Roll The Dice).

August 9th and the final Novice & Restricted for 2020, conducted by the Labrador Retriever Club, A Bartram judging on a very wet and windy day in the Avon Valley. By all accounts, the dogwork was excellent. Winning

1st place on 171 points was Gary Papamarkos and his Golden girl, Jarrah (Lukhangold Ka Pai Jarrah) and their NRD title. In 2nd place on 148 points was Ian Molyneux and his Cocker spaniel, Ollie (Bodhran Miss Daisy), and 3rd place went to Shaun Gibbon and Max (Talulapark The Hitite) on 127 points.

Restricted had only 4 entries, and the weather conditions did not get any better for this stake, particularly the wind, which made whistle commands almost non-existent. There was only one finishing dog today, and gaining their RRD title with the win, was Ricki (Booermagic BoomsRicochet) handled by Colin Hankinson on 137 points.

The two All Age events the following weekend were the highlight events of the year. The Flash Memorial conducted by the Labrador Club, was judged by M McClure and R Courtman. Eleven dogs entered and four challenging runs had everyone on their toes. In 1st place on 210 points was Flash (Ellishea Wyatt's Flash) and Heather Ellis. 2nd place on 206 points was Heather's other dog, Phoenix, (Ellishea Just Cussy), and in 3rd place on 195 points was the Labrador, Tux, (Brigodee Diamonds Bow Ty N Tux) and Kerry Webster. Best Veteran was Phoenix, Best Non R.T. Champion was Tux, and team winners were Phoenix, Flash, and Ozzie (a cocker spaniel owned by Mark Jackson)

The next day the Linc Sullivan Cup was conducted by The Retrieving Club with R Courtman judging and 10 dogs entered. Quite open ground allowing some lengthy retrieves, with creeks and fallen timber creating barriers for the dogs. The winning dog here on 215 points was Spirit (Booermagic Irish Spirit) owned by Maggie Hankinson. 2nd place went to Addi (Booermagic Booms Addiction) on 214 points, and owned by Ann Graham, and 3rd place on 207 points, was Eva (Booermagic All Saints Eve) and Colin Hankinson. Best veteran was Spirit, Best Non R.T. Champion was Addi, and team winners were Phoenix, Solar and Addi. Hopefully next season we can resume our normal calendar of events. I know everyone is keen to get back into the field with their dogs.

- 2.16 A member shall breed primarily for the purpose of improving the quality and / or working ability of the breed in accordance with the breed standard, and not specifically for the pet or commercial market. A member retains the right of free trade, to advertise directly and sell dogs not kept for line maintenance purposes by that member.
- 2.17 A member shall not breed with a bitch unless the bitch has reached adequate maturity for that breed as determined by the member's Member Body. The minimum breeding age for bitches across all breeds is twelve (12) months at the time of mating. Except in extenuating circumstances or with the approval of Governing Council prior to the mating, a member shall not breed from any bitch causing it to be mated before it is twelve months of age. 08/14

- 2.18 A member shall not breed a bitch causing it to whelp **more than twice in any eighteen month period** without the prior approval of the member's Member Body. (07/16)
- 2.19 Number of Litters
- 2.19.1 A member shall not breed a bitch causing it to whelp more than five (5) times.

- 2.19.3.3 The permission is valid for a period of six months – after this permission must be re-applied for.
- 2.19.3.4 Under no circumstances will the registration of a seventh (7) litter be permitted. (04/17)
- 2.20 Maximum Breeding Age
- 2.20.1 A member shall not mate a bitch over the age of seven (7) years.

- 2.21 First generation (father/daughter, mother/son, brother/sister) matings are not permitted. ANKC Ltd Member Bodies will not register the progeny of father/daughter, mother/son, brother/sister matings on the Main Register unless application was made to the Member Body and approval was given prior to the mating on the basis of health or genetic reasons to the benefit of the breed. Any breach of this regulation will constitute an offence by the member(s) who are the owners of the sire and the dam of the litter.
The progeny resulting from such a breach will be registered on the Limited Register and endorsed 'never to be upgraded' and any further penalties as may be determined by the member's Member Body. Refer ANKC Part 6 – 8.4 (Added 10/10, Amended EAP 12/14)
- 2.22 A member shall not permit any of that member's pure bred dogs to be mated to a dog of a different breed, to a cross bred dog, to a non ANKC registered dog of the same breed, or to a dog not on the ANKC Main Register without the prior approval of the Association.
- 2.23 Breaches of Regulations 2.18, 2.19, 2.20, 2.21 and 2.22 are considered to be a serious breach of the Code of Ethics. For that reason, offences in relation to each of the separate regulations will be considered cumulatively in applying penalties to the Registered Breeder/Member.

The member and purchaser must further acknowledge in writing to the member's Member Body that the intention of the sale is for the improvement of the quality of that breed in the overseas country, and not for any other purpose.
- 2.28 A member shall ensure that persons acquiring dogs from that member understand the requirements for the care, welfare and responsible ownership of the dog, and that they have the time and facilities, e.g. adequate fences, sufficient room and proper shelter, to fulfil their responsibilities.
- 2.29 A breeder shall be expected to maintain reasonable contact with the purchasers of dogs from that breeder and to offer continued advice and reasonable assistance.
- 2.30 A member **must** register all puppies bred by that member that are living at the date of registration. Such registration must include all living puppies from the litter on the one litter registration application form and must be applied for within six [6] months of the date of whelping.

- 2.35.1 The dog is portrayed in a manner consistent with its breed characteristics and temperament as described in the Standard for that breed; and
- 2.35.2 The dog is presented in a manner that is unlikely to create a negative reaction to dogs generally or that breed in particular and that if there is any likelihood of a negative impression, this is at the same time corrected through the development of a story line that presents the dog or breed in a balanced manner.
