President Report

CEO Report

Budget 2024/2025

There is no doubt that COVID has had a long and lingering affect in many ways, including for our Association.

Members will recall that during the pandemic the Association supported the Members and Affiliates by having no fee increases, but in the last budget, and following a deficit outcome the previous

year, fees had to increase.

Despite frugal management, and deferment of some projects, the Association is facing another deficit outcome for the 2023/2024 financial year.

Ongoing deficit outcomes are not sustainable over the long term.

Governing Council and the Finance Committee have deliberated on the proposed budget for next financial year, and some increases in fees are unavoidable but have been kept as low as possible.

The aim has always been to present a balanced budget, whilst maintaining an investment base for future development and asset maintenance. Our investments also earn the Association valuable income.

Fees are based on the user pays principle adopted by Governing Council quite some time ago, as being a fair and equitable way to manage costs versus income.

All costs and income are heavily scrutinised and new initiatives as outlined in the CEO's report will help to minimise costs further.

Elections

Nominations for President and Councillors have closed. I encourage all Members to consider the candidates who have nominated and to vote. Dogs West is a Member organisation, and this is your opportunity to support those who have nominated to volunteer their time and expertise to the Association in these important roles.

Pamela Campbell

PRESIDENT

Dear members

This issue we are advertising the new Fees and Charges list, following on from the June promotions via email, Facebook, and website. Once again there were a lot of discussions and deliberations while exploring the current trends in Dog Conformation and Performance disciplines in Australia.

Some key factors in 2023/2024 include a significant loss of income from puppy registrations and transfers. This is over \$60,000 less than expected and the trend is likely to continue in 2024/2025.

While facility hire is up by 76% and a new sponsorship commencing in July 2024 will bring beneficial finances into the Association, increases in expenses such as insurance, power, postage, repairs, and services are outstripping the income generated.

This year, Dogs West will prioritise the reduction in printing and postage costs by focusing on a digital strategy linked to the launch of the new website. Opt-in options for print versions of the Canine News, membership cards and other services will be provided while enhancing the digital services we offer.

This will enable current and new members to do business with Dogs West at a time convenient to them, while still providing access to face to face services and print options to those that need it. This approach respects members' diverse requirements and improves cost-efficiency.

Other exciting additions over 2024/2025 include new sanctioned events on offer including Canine Grooming, Earthdog, Sleddog Sport and SprintdogTM.

I look forward to another year of magnificent events, implementing improvements and working with and finding new partners that help our Association grow and increase public exposure.

Sincerely

Marzel Norton

CHIEF EXECUTIVE OFFICER

**Reminder to breeders:
YOU MUST NOW TRANSFER ALL
PUPPIES SOLD WITHIN 90 DAYS.**

Since October 2021, it is the responsibility of the current owner to transfer all dogs sold/disposed of, within 90 days of the change of ownership.

In the case of a litter, as the current owner, you are required to complete and lodge an 'Application To Transfer' for each puppy you are not keeping.

If you do not want to transfer a dog to it's new owner for any reason (e.g. you are placing breeding/showing stock and want to keep it in your registered ownership) then you need to complete a 'Non-transfer Agreement' with the new owner and submit this in place of a transfer of ownership. There

are a number of rules governing non-transfer agreements. See the updated R Regulations below.

Limited Register dogs, or any Main Register Dog with endorsements on, will require the signature of the new owners to be transferred. The Limited Register Agreement will be sufficient for this purpose and can be attached to the Certified Pedigree for lodgement.

If you have any questions about your obligations, please contact the office.

Veterans Class at FCI International Shows

Dogs Australia has received queries regarding the judging of the Veterans' Class at FCI CACIB Shows.

The following advice has been received from FCI.

The Best of Sex competition must include at least the FCI-CACIB-J winner, the FCI-CACIB winner and the FCI-CACIB-V winner. The judge places the exhibits in order of quality without taking into consideration which classes they come from.

Put into the Australian context, this means that the Veterans Class is judged as an ordinary class and the winner of the Veterans Class will compete for the Challenge Certificate. The Veterans Class should be judged between Junior and Intermediate. If a dog from one of the classes (Minor, Puppy, Junior or Veteran) which is not eligible for a CACIB wins the Challenge Certificate, the Dogs then eligible for the CACIB should be judged and that Certificate awarded to the best exhibit from those classes.

Obviously the two challenge winners will then compete for Best of Breed.

For clarification dogs 15 < 18 months can compete in either the Junior or the Open/Champion Classes. If they compete in the Junior Class, they can receive a CACIB-J but not a CACIB. If they compete in the Open/Champion Class, they can receive a CACIB but not a CACIB-J. The same principle applies to the Veterans.

9.1 Moved: A Rushby

THAT Clause 17.5 of the CAWA Constitution be amended as follows -

Current wording:

17.5 Nomination Forms shall be available for twenty (20) working days prior to the closure of nominations. Nominations shall close at 4.30pm on the first Friday of June each year.

Be amended to read :

17.5 Nomination Forms shall be available from the first Friday in April. Nominations shall close at 4.30pm on the second Friday in May.

Rationale:

To ensure members are suitably notified of Election Nominations, Dogs West prints all nominations and blurbs in the July/August edition of the Canine News. This is the most cost-effective way to distribute a printed version of this information to members. However, Canine News Australia Post’s delivery times have lengthened, requiring all content to be at the printers at least 5 days earlier than previous years. The suggestion is to amend Rule 17.5 from the first Friday of June to the second Friday of May. This will enable more time for the office to ensure the nominations meet the requirements and to place them in the Canine News.

9.2 Moved: A Rushby

THAT Clause 17.6 of the CAWA Constitution be amended as follows -

Current wording:

17.6 Ballot shall close at 4.30pm, five (5) working days prior to the date of the Annual General Meeting.

Be amended to read :

17.6 Ballot shall close at 4.30pm on the Friday immediately preceding the date of the Annual General Meeting..

Rationale:

By deleting reference to working days, it makes it clearer and less open to ambiguity with whose working days it refers to in these days of flexible working days. The day of the AGM may change at some time so this makes it clearer whatever day it is held.

9.3 Moved: A Rushby

THAT the CAWA Constitution be amended as follows -

Clause 17.8 and Clause 17.9 be deleted in their entirety with numbering to be adjusted accordingly.

17.8 Counting of the ballot papers shall take place on the Friday immediately preceding the date of the Annual General Meeting at the office of the Association.

17.9 Members may be present when the ballot papers are counted.

Rationale:

Due to Vero Voting service now counting the ballots, these clauses are obsolete.

9.4 Moved: D Kehoe

THAT Clause 28.3.1 of the CAWA Constitution be amended as follows -

Current wording:

28.3.1 The Governing Council shall annually appoint a Chairperson of the Investigation Committee with the Chairperson of the Investigation Committee responsible for selecting the committee.

Be amended to read :

28.3.1 Chairperson. Governing Council shall annually appoint the Investigations Chairperson.

28.3.1.1 Committee Members. Governing Council shall appoint from time to time, but at least annually, a number of members, that number being as determined by Governing Council from time to time, but the number shall be no less than seven (7). No member shall be a member of the Appeals Board or the Protest and Disputes Tribunal or Judges Board.

Rationale:

The Constitution is currently silent as to the number of members and involvement in other Governance committees. This will bring the Investigations Committee and Protests and Disputes Tribunal into alignment as to their composition and allocation of members

This will allow Governing Council to act to ensure there are correct number of committee members available to suit the current conditions. For example, during the Covid situation the pool of available committee members being depleted. Having a greater number of committee members available would have eased this.

DOGS WEST OPEN DAY

The Dogs West Open Day on April 1st, 2024, was a roaring success, attracting over 4000 guests and their furry companions. From captivating performance demos to informative education sessions and breed displays, the day was a delightful showcase of canine diversity and companionship. The announcement of a partnership with PD Insurance added a significant touch, promising increased support for pet owners. Attendees left with hearts full of appreciation, expressing eagerness for more breed showcases in the future. A heartfelt thank you is extended to all who contributed, from volunteers to stallholders, for crafting a day brimming with joy and community spirit, reaffirming the profound bond between humans and their beloved dogs.

A big thank you to Jodie Grieve Photography, capturing some great images of the day.

History Of The Canine Association Of Western Australia Inc Originally The West Australian Kennel Club Inc

The city of Perth, Western Australia was founded by Captain James Stirling on Whadjuk country as the capital of the Swan River Colony in 1829. It was the first free settler colony in Australia established by private capital. From 1850, convicts began to arrive at the colony to build roads and other public infrastructure.

The first general meeting of the West Australian Kennel Club - chaired by Mr FS Drake-Brockman - took place on 13 August 1897 at the City Hotel in Murray Street.

The club was incorporated on 2 September 1898. It held the distinction of being the original 'canine association' for Western Australia - organizing events and fostering camaraderie among dog lovers in Western Australia. Following WWII, other dog clubs were formed to conduct events under the auspices of the WA Kennel Club.

The inaugural show of the West Australian Kennel Club was held at the Old Englyshe Fayre Grounds in Hay Street on 6 and 7 May 1898 - with an entry of nearly 300 - judged by Mr W J Smyth. The show was officially opened by the Governor of Western Australia - Sir Gerard Smith. This show was a significant event for the club and the dog loving community of the time.

The breeds of dogs exhibited at this inaugural show was a diverse showcase of breeds reflecting the wide range of dogs that were popular at the time. The breeds included - Setters, Pointers, Spaniels, Greyhounds, Harriers, Beagles, Bulldogs, Bull Terriers, Fox Terriers, Newfoundlands, Sheepdogs, Poodles and a Smithfield.

The West Australian Kennel Club joined with the West Australian Poultry Association Inc in 1889 for show purposes. In 1913, the WA Kennel Club took control of all dog registrations in Western Australia, although the WA Poultry and Dog Association continued to manage shows for both poultry and dogs. The WA Kennel Club broke away from the WA Poultry and Dog Association in 1920. with the WA Poultry and Dog Association being relieved of its canine component and became the WA Poultry Association.

Affiliation with The Kennel Club (of the United Kingdom) was established on 21 July 1915. At that time there were only three other Australian bodies affiliated with The Kennel Club, those being The Kennel Club of New South Wales (30 November 1896), South Australian Poultry and Kennel Club (7 July 1915), Victorian Poultry and Kennel Club (17 June 1913). This affiliation with The Kennel Club meant that its rules extended to the WAKC being able to award challenge certificates mirroring the British system of gaining a championship title. Also extended to granting titles beyond that of Champion - with the accumulation of six Challenge Certificates, a dog became a Grand Commonwealth Champion.

Post WWII, there was an upsurge in purebred dog activities. This interest became too much work for the WA Kennel Club so arrangements were put in place for the Royal Agricultural Society of WA Inc, which had been established in 1831, to take over the secretarial duties for the dog fraternity for a fee. This arrangement was based on the RAS of WA having experience in establishing stud books for sheep and cattle in Western Australia, which could be applied to the dog world.

The West Australian Kennel Club Inc was reconstituted as The Canine Association of Western Australia in 1952, and the West Australian Kennel Club Inc continued as an all breeds dog club conducting events.

The CAWA grew in membership under this arrangement and in 1961 was affiliated with the Australian National Kennel Council.

In 1962, the CAWA introduced an Associate category of membership to allow owners of sterilized dogs, as well as dogs without a pedigree, to take part in obedience events.

In August 1971, the Canine News journal - on a quarterly basis - commenced publication.

Due to administrative issues arising between the CAWA and the RAS, in 1977 the CAWA severed all connection with the RAS of WA to become again an independent body. The CAWA moved from the

RASWA offices to rented offices in Nedlands. The CAWA had the administrative tasks of all registrations and transfers, issue of pedigrees, approving and scheduling all events, financial and governance decisions, plus representing the interests of the members at national meetings.

The dog shows continued to be conducted at the Claremont Showgrounds utilizing a pavilion constructed by the CAWA but still part of the showgrounds.

In 1981 the CAWA moved to the administrative centre and office, which had been constructed on the 14 acre property purchased by the members at Southern River in the City of Gosnells. The centre was officially opened by Rear Admiral Sir Richard Trowbridge on 4 September 1983.

The extensions to the administrative building - where the present office, boardroom, canteen, shop are housed - were officially opened on 4 September 1993 by The Hon Graham Kierath MLA. By this time, the CAWA's centre boasted the undercover pavilion, the main grassed arena and the performance sports arena soon to be under development.

The pavilion and undercover area was constructed in 1985 With the lower arena for performance sports established in the following years.

In 1988, CAWA linked their dog registrations through the system managed by the RAS of NSW. In 1996, the ANKC's online system was operational and all states linked to this central system.

Today, the administrative body for Western Australia is the Canine Association of Western Australia Inc trading as Dogs West, with the West Australian Kennel Club Inc being the senior all breeds club.

Governing Council Elections 2024 Nominations

Nominations for President (1) – Elected Unopposed

PAMELA CAMPBELL

Regulations under the Stop Puppy Farming Act and review of the Animal Welfare Act are not finalised. Local Government awaits these Regulations to make decisions on their implementation. With a background of 36 years in Local Government, I understand this issue.

Our submission on the Regulations sought recognition of Dogs West Members allowing them Permits to Breed, as applies under the Cat Act 2011. We await the outcome of that submission.

I seek your endorsement as President to continue to work with all stakeholders on this most important of issues for our Members.

The Association requires considered management as costs increase and income declines. Membership remains static; the Association and Members must work together to engage positively with each other and new members seeking to join in our varied disciplines.

We have much to be proud of; world class facilities; all the disciplines we support and the positive outcomes enjoyed through our engagement with each other and our dogs.

We all have a part to play in promoting and supporting a welcoming culture in our membership and the Association.

Nominations for Governing Councillor (3)

DES KEHOE

I have been a dedicated member of Dogs West for 30 years, since the purchase of my first Dobermann in 1994.

I have served on Governing Councillor since 2003 and as Vice President 2016 to 2023. I have also been President of the PTODC and Dobermann Clubs and Vice President of the UDC.

My experience spans conformation, performance, breeding, and active participation in various Club and Dogs West committees. I am a strong advocate for all aspects of dog sports. In these

uncertain political times, I am committed to addressing challenges on behalf of all members, leveraging my government relations experience for the best outcomes.

Professionally, I am retired from a career as an Information Architect in the IT industry.

I have a proven track record and am well-equipped to serve as Governing Councillor. I will act with honesty and fairness, prioritizing the best interests of you and your dogs.

NERIDAH SHARRETT

I have been a financial member of Dogs West since the early 1980's and have been involved in Clubs as Committee member or Executive positions since then.

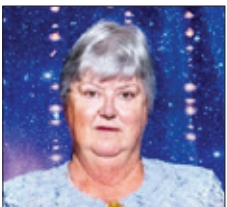

My Dogs West experience is vast and includes

- various working parties making representation to Government
- Various Dogs West disciplinary panels
- Establishing the Compliance Officer role
- CEO of Dogs West

I have a thorough understanding of the Rules and Regulations of Dogs Australia and Dogs West. I also have a good understanding of the Administration of Dogs West.

I bring experience from Federal Government where I worked for approximately 35 years - mostly in compliance, enforcement, mentoring and leadership roles. I will be committed to the fair and equitable treatment of our members and work with them to meet the requirements of our Regulations. I want to see our organization maintain its profile and grow in reputation.

SALLY BAXTER

I have been a member of The Canine Assoc. of WA (now trading as Dogs West) since 1986, a have been a fully licenced ANKC All Breeds Judge since 2015 and served on Governing Council as a full member or Deputy for 7 years. I am currently on the Overarching Coordinator for Judges Training in Western Australia, and actively believe in working for the good of all members of the Association. I have retired as a school teacher,

but have branched into my passion of dogs by running my own grooming salon, this brings me into contact with members of the public and all breeds of dogs (pure & crossbred). I wish to be renominated, as I genuinely believe that we all should help contribute to the well being of the Association and our Members to help promote the role of Purebred dogs in society.

JENNIFER SAYERS

I have been a continuous member of the (former) KCC and Dogs West for 51 years. I've successfully shown and bred Maltese since 1972 along with Japanese Chin, and have exhibited Lowchen for the past 23 years. I've held numerous executive and committee positions on all breeds and group clubs and as a member of the Investigations Committee. Currently I'm a member of the DW Open Day Working Party which I thoroughly enjoy.

In 2021 I gained my All Breeds Judge licence and I have judged throughout Australia and internationally in South Africa, New

Zealand, Philippines and Thailand. Professionally, I spent 25 years at Deakin and Curtin Universities, was the PA to the Ramp Manager at Qantas Perth Airport, and until I retired last year, I was with Insurance Loss Adjusters for 13 years.

I believe I have the knowledge and experience required to represent members of the fancy in a transparent, fair and impartial fashion. I would welcome the opportunity to offer my services back to Dogs West and its members.

Governing Council Elections 2024 Nominations

Nominations for Governing Councillor (3) *cont...*

PETER BOEKELMAN

Growing up on a kennel property, I have been lucky enough to have been around dogs my whole life. I began handling in the show ring as young as six, and by participating in the junior handler competition, I was given the opportunity to handle a variety of breeds across the seven groups, refining my handling skills. Skills I am now able to pass on to the younger generations. At 37, I am still heavily involved in showing, and with my partner's avid interest in performance disciplines, I have more recently developed an interest

in and understanding of the many other dog sports available to our members. I believe I offer a fresh outlook on issues affecting our association and its members and that my knowledge and skills will significantly benefit the canine community.

PENNY KELLY

I have been an active member of Dogs West for a number of years. I have served on several committees over my time with Dogs West, currently I'm the Vice President of Canine Stewards Association and on the Dogs West working parties for Stewards Training, Junior Handlers and the Western Classic. My working life sees me work at Curtin University for the past 20+ years, my current position Manager, Teaching Support, sees me follow my passion within

education. As a current Governing Councillor for DogsWest, I am the chair of the Events Pillar committee, which see me interact with a number of different disciplines of our incredible dog world. I am always happy to listen to any ideas you may have and wish to share. I would like to continue working with and for our members. We as a cohesive group can achieve a lot if we work together. I seek your vote once again for Governing Council at Dogs West.

JENI SACH

I have been a member of Dogs West since the early 1990's, (apart from 5-6 years living interstate in 2005-2010). I began in obedience and agility and then purchased my first purebred dog and commenced conformation showing. I am now an All Breeds Judge, I'm involved in obedience and rally and hope to take up DWD and scent work soon. I am also an instructor at Rockingham Dog Club. I have been secretary of Hills Kennel Club for many years and am Chair of the Canine Fundraisers Working Party.

Due to my experience in the legal industry I have a good understanding of rules & regulations and have assisted many members with P&D & appeal issues. I was a Deputy on Governing Council in 2022/23 but did not run last year due to having too many personal commitments. I again hope to be able to have input into the running of our organisation and am in a good position to represent our members due to my involvement in various dog sports.

TRACY MOL

It was 1971 when my eldest brother had a Weimaraner purchased for him. Being a rare breed, the breeder encouraged my mum to allow my brother to show the dog. So this was my introduction to the shows world.

I exhibited my first bred Weimaraner at the age of seven, and at age 10, my mother purchased a beautiful black cocker spaniel, leading to 35 years dedication to the breed. I fell in love with the American cocker spaniel and at age 12 I was lucky enough to be given a little black bitch by Paul and Debbie Wilkes.

I went into the training judging scheme at age 18, my true love is the purebred dog. I really enjoy judging more than exhibiting these days. I have been president, vice president and committee member of various clubs over the years.

I'm now at an age where I feel its time for me to give back again to the dog world that I'm so passionate about. All I wish for is the betterment of our breeds and generations to come to enjoy our pure bred dogs.

3. PROGRESSION THROUGH TITLING CLASSES

Excellent (except Interior)	5 mins per entry	12 per hour
Excellent Interior (2 search areas)	6 mins per entry	10 per hour

5. OTHER CLAUSES

5.3.5 Passes gained in each Class and Element may be used as Qualifying Certificates for both the Scent Work Class Titles and the Scent Work Element Titles.

5.3.6 All Qualifying Certificates gained in the Master Interior Class towards a Scent Work Master title and/or a Scent Work Element title that were gained prior to 1 July 2024 will remain valid and count towards these titles even if the titles are gained after 1 July 2024.

ATTACHMENT A

RULE EXCERPTS

1. NEW CLASS/TITLE – SCENT WORK ULTIMATE (SWU)

4.2 Classes

(e) Ultimate: provides an integrated search environment combining at least three (3) of the four (4) Elements from the Odour Search Division, which are worked as one search. The number of hides and distractions is unknown to the handler. The dog and handler must work autonomously to resolve the challenges set by the Judge in the search area. The team will need to demonstrate sustained resilience and persistence and work in a timely, efficient and effective manner to complete the search. They must be confident that they have identified all the hides present and cleared all search areas before calling "Finish".

5.3 Application for titles

5.3.3 On gaining the title Scent Work Ultimate (SWU) the highest of any previous Class titles for example, SWA, SWE, SWM is retained along with the new title SWU as this title is independently rather than sequentially achieved.

DOGS WEST DWD STATE 2024 COMPETITION

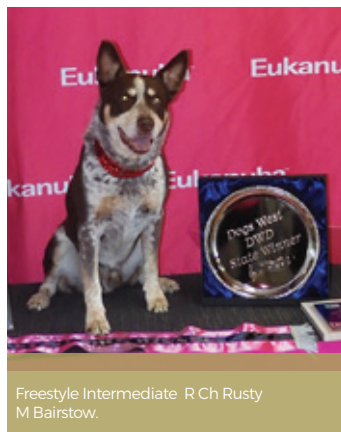

Firstly a huge thank-you to our sponsor Eukanuba for supplying biscuits for our worthy winners. It was great to see the ambassadors turn up at the event and cheer everyone on. To my awesome committee, thank-you your assistance in bringing this event to life it is so much appreciated. To Bevan and the office staff for helping with the set up on the Friday, it is so cool that our Dogs West team are so supportive of our activities. To our judges, Paul Skewes, Deb Hyde and Anne Lacy-Herbert thank-you for being part of this special day and showing your appreciation of these fabulous teams. The trophy table was amazing, the routines and costumes superb, the music choices excellent.

Every year the standard and ideas just get better and better, with some teams scoring over 170 points out of a possible 180 WOW. So many breeds showing what can be achieved in this sport was great to see. From a Miniature Poodle to a Belgian Shepherd Dog, all stepped up to show off their skills. Our Rising Star Award went to Kleurig Jaffa a delightful Australian Shepherd who is just starting out in what will be a very successful career. Thanks again everyone, see you next year

EASTER TRIALS

SATURDAY 30TH / SUNDAY 31ST MARCH 2024. ALL AGE

This year, as usual, saw us heading to Arthur River for the beginning of our trialling season to our traditional property at Arthur River. We have been coming to this property for nearly 30 years!

Allan Bartram was the judge on Saturday for the Retrieving Club of WA Peter Reekie All Age Trophy to be presented to the winner. Catherine Thorburn was assisting Allan as his chief steward. The first two runs were land runs in a completely different area used before with the third going back to the camp site for the water run on the river.

RESULTS AT THE END OF THE DAY:

18 dogs entered, 1 scratched, 9 finished.

1st Kuven Lincolns Lady of Success (LRB) handler Lyn Wise, 162 points. Pending approval by Dogs West this gives Ditto her RT CH title. Congratulations from all of us!!!

2nd RT CH Ellishea Rips Stormgirl (GRB) handler Heather Ellis 160 points.

3rd RT CH Brigodee Bow Ty N Tux CM (LRD) handler Kerry Webster 158 points.

Sunday, we had Ms Eleanor Johnson, judging for the Labrador Retrieving Club, the Marie Ewan All Age Trophy to be presented to the winner, who was assisted by her chief steward Ray Johnson.

RESULTS AT THE END OF THE DAY:

12 dogs entered, 1 scratched, 3 finished.

1st RT CH Ellishea Wyatts Leroux (GRD) handler Alex Deasy, 137 points.

2nd Sunhunny Karris Evening Star (GRB) handler Alison Jenning, 78 points.

3rd RT CH Boormagic Solar Flare (LRB) handler Maggie Hankinson 75 points.

The weekend's runs included Allan's shorter marks while Ely's tended to have long marks therefore giving the dogs experience in both.

We would like to say a BIG thankyou to all our stewards over the weekend who travelled down to Arthur River simply to work in the field: Sarah (training Georgia out in the field), Anthony, Sally, Ben, Mark (training Maddie) Allan (Sunday) Anne Cameron (Sunday). You guys are amazing! Thank you all.

Catherine Thorburn, State National Retrieving Working Party

MOCK TRIAL

SATURDAY 23RD / SUNDAY 24TH MARCH 2024

The State Working Party conducted their third Mock Trial as their main fundraiser for the State Championship. This initiative was set up by the working party in 2022. The event was run on a beautiful property in Gidgegannup. There were 19 entries for the novice, which was held on Saturday and 10 entries for restricted which was held on Sunday. The judge for the two days was Mrs Heather Ellis assisted by Catherine Thorburn as chief steward who offered their time to

make the event happen. There were plenty of other offers of help from volunteers: Allan Bartram, Lyn Wise, Kisty Jackson (training Georgia) Mark Jackson and Anthony Nesbitt. The weekend ran very smoothly thank you to all involved!

The SWP decided to award novelty awards over both days. The novelty prizes were donated by Ellice Sheppard who made an assortment of leads.

NOVICE:

Encouragement Award: Mr Alasdair Mitchelhill handling Amberjem Heart of Gold.

Handling Award: Miss Maddie Wall handling RT CH Ellishea Wyatts Leroux.

Marking Award: Mr Simon Innes handling Ellishea Hamish Nelson.

RESTRICTED:

ANZAC TRIALS

On the weekend of the 27th/28th of April the **ANRTWP** held their traditional ANZAC Trials out at Jennacubine. The novice/restricted is held on the Saturday and the All Age is held on the Sunday. The ANRTWP decided to commission new trophies for these trials as over the 45 years the original trophies had been damaged. A big thank you to Rustic Weathervanes and Chris and Jenny Warren for the engraving.

Mark Jackson had been contracted to judge both stakes (judging run 1&3) and was in charge of the trial with Allan Bartram accepting a contract to

support him in run 2 in novice and restricted. Catherine Thorburn stepped in as chief steward. Mark and Allan between them tested the dogs, even novice dogs, with some extensions in concepts and both stakes showed the overall ability of the young dogs

Sunday had Eleanor Johnson judging All Age with Allan Bartram assisting as chief steward. Again, we had a pleasing entry in All Age. Ely put on some awesome runs and everyone went home with a smile on their face! Results at the end of the day were:

DOGS WEST FEE CHANGES 2024

Why are Dogs West's fees changing?

Each year we review our fees to make sure we can continue to serve our member's needs.

For the Association's long-term sustainability, it is important it remain cost-neutral at a minimum. Increases to costs such as services and utilities, wage price index rates and inflation have significantly impacted Dogs West operating budget in recent years.

Puppy registrations and transfers have also fallen by over 10%, resulting in \$65,000 less income than expected in the 2023/2024. This is a national trend significantly impacting all State Member Bodies in Australia.

Fee Changes

How was the change calculated?

We use the previous years' actual income and expenditure and forecast future costs (including any known increases) to estimate the costs that need to be met in the coming year.

Why not use Dogs West reserve funds?

Utilising Dogs West's reserves for everyday operational costs is not a responsible long-term strategy. The funds from the sale of the land are both serving as a temporary source of income and is being reserved for capital works required over the next 10-15 years.

Keeping costs down and growing income

While fees are changing, there are a number of other ways Dogs West is working to improve outcomes.

1. Contract renewal negotiations
2. Reduction of printing and postage via digital projects.
 - a. Website – online forms and bookings
 - b. Digital membership cards
3. Finding new streams of income
 - a. Product research
 - b. Sponsorship packages
 - c. Hire of facilities

Our priority is to remain relevant as a peak body in Western Australia as well as a sustainable, member focused organisation.

CANINE NEWS CHANGES

Print is now opt-in only for Canine News Issues

From the September/October edition onwards Canine News will be provided digitally to all members via email and website.

If you still wish to receive a print copy, you can request this by email on k9@dogswest.com.

Membership Invoices, renewal forms, and new member forms have been updated to enable members to notify Dogs West of print option preference as well.

Why the change

The cost of printing and postage has continued to increase, becoming increasingly difficult to deliver a cost neutral option. Postal delivery reliability and times have also changed over time, creating longer timeframes.

Other changes

Dogs West will be opting for cost-effective options for the print version, less colour and possibly paper quality may change.
