C10.4 A judge will excuse from the ring, any dog exhibited or handled by any person who has handled or assisted as a runner any dog owned or part owned, leased or part leased by that judge within a period of twelve (12) months.

C21 HANDLING and CONTROL of DOGS

Handling of dogs is to be done in a humane way that will not cause distress to the dog.

In particular, lifting an exhibit from the ground to the table by means of head and tail is **not** Permitted.

YOUR GROUNDS

Your grounds have come a long way since the property was purchased freehold in 1981.

A lot of the early development was due to the hard work of many volunteers along with the Secretary – Bob Arnold - and the Governing Councillors.

In December 1980, following a special general meeting, the decision was made to purchase freehold land. Marie Ewen, the President from 1978 to 1987, presented strong arguments relating to security of tenure, the sole usage for members of the Association, property ownership and the likelihood of an ever-increasing asset.

We should be very thankful to the members that made this decision to put the Association in the strong position it is today and into the future.

A Land Acquisition Sub-Committee was formed in February 1981 - later to become the Building and Land Development Sub-Committee, under the chairmanship of Dr Peter Tallentire, then got to work and after many kilometres, hours and much negotiation chose the valuable site which we now own and occupy.

At a General meeting on 23 June 1981, Marie Ewen and Wray Minors - Vice President - signed the transfer documents before the members in the presence of Estate Agent Clive Germon.

1982 was an exciting time.

Marie was at the site often - she followed the progress of the grounds and building with great enthusiasm.

It was decided that the Official Opening of The Canine Centre - the first independently owned Canine Association facility in Australia - would be at the first show to be held at our own property. The show was The Western Classic and the Centre was officially opened on the 4 September 1983 by His Excellency Rear Admiral Sir Richard Trowbridge KCVO KSTJ, Governor of Western Australia.

The President from 1988 - 2001 – Harry Atkinson with the Late Elaine Beck, who was a phenomenal driving force with her significant fund raising, which played an important part in raising the monies to purchase the land.

In the early days of the project, Tony Gibbs – OES and American Cocker Spaniels – was appointed the first Honorary Grounds manager. Tony and his wife Lesley return to the grounds each year for the Vintage Car Auto Jumble – a regular booking twice a year – which brings back lots of memories of their years in the dog world.

Lesley writes:

The land had been cleared and the future grassed arena marked out. I think when these were taken the trees around the perimeter had not been planted either. The young boy is our son Steven who looks to be about 9 or 10. As he was born in 1974 (now 46) I think the photos would have been taken about 1982-3. My husband Tony and I, our 2 children and Tim Brand a fellow Gundog member and breeder of English Setters worked hard at the centre, initially clearing the main arena and surrounds of the many tree

roots etc. There was a bore on the property and a sprinkler system was set up to water the soon to be sown arena.

There were a group of us who did work very hard to establish the wonderful complex the members enjoy today. The trees around the perimeter of the arena were planted. During the hot summer months we had to water them all by hand. This meant we had to access the bore/tap and fill a number of drums with the water. The drums were on the back of a trailer so Tony would drive slowly around the perimeter while the children and I would bucket the water out onto the trees. I think we later progressed to having a hose in the drum of water and were able to siphon the water off. I can tell you it was very hot and thirsty work which we repeated every few days to keep the trees alive.

Treathon organised by the late Ron Cochrane and Peter Tallentire. Peter in action planting one of the many trees watched by his wife Wildra and Tim Brand.

Tim Brand hard at work digging up roots (watched by Steven – nothing much has changed there)

Some of the roots and debris Tim and Tony dug up

Oh how lucky we are today with our beautiful new bitumen roads. The original roads around the main arena were rolled orange gravel – not the best to walk your coated dogs over during winter.

This view is where the memorial garden is now situated with the beginnings of the pavilion in the background.

Thank you to all the past volunteers that established this wonderful facility for the present members to enjoy. As the grounds are well developed now, it would be nice to see some of our present members volunteering more often to assist the affiliates conduct events which is an area in great need.

JULY DWD AND TRICK COMPETITION

I have to say this event had a party atmosphere. It was so nice after such a long time shut down that we were able to come back and enjoy our sport. This event had to be run 'covid- safe' with physical distancing being practiced - thank you to everyone that adhered to this to make the day so enjoyable.

Thank you to our fabulous judges Deb Hyde, Maja Pitts and Anne Lacy-Herbert, Cheryl Bedggood, Honey Gross-Richardson and Karren McCluskey. They judged with speed and efficiency without making anyone feel rushed.

We started with the DWD Heelwork Classes. With the long break, it was going to be interesting to see how the dogs performed. They were all super. Great focus, brilliant choreography and super music

from country, jazz and good Aussie classics made this a really great event to watch.

Freestyle with super props used to make the routines really pop. Awesome costumes and again really amazing story telling. Each level was represented and I am so looking forward to seeing these routines again in the future. With the State competition being held in December the excitement is building.

Tricks - all classes had such quality. Starter Class being won on a perfect score and the other two classes winning by losing less than a point. Great job. The dogs and handlers really working well as a team and showing great understanding of the tricks involved.
