Dogs West at the Perth Royal Show 🇺🇦 🇸🇮

We want to share a huge thank you to all our volunteers and their dogs that came to lend a paw at the 2024 Perth Royal Show! We couldn't have one it without you! Thank you for showing WA what Dogs West is all about and sharing your stories

Thank you to all our members who came by just to say hello and chat with the Dogs West team. It was wonderful being able to share our passion for dogs with WA and we are so inspired for the future.

We also have to thank PD Insurance for sharing a space with us, helping us engage with the public, sponsoring the Royal Show Giveaway and for their ongoing support!

Finally we need to thank Anubis Dog Beds for their donation to our second chance prize and the use of their beds on the Dogs West stand. These beds were a total hit with our furry volunteers!

From PD Insurance

In 2024, Pet Obesity Awareness Day falls on October 9th. It's a reminder that more pets are overweight and obese now than ever before. PD Insurance shares some preventative and management tips for balancing the scales this [Pet Obesity Awareness Day](#).

Member Education

Dogs West members are invited to join Dogs Queensland Canine Health Committee Webinar on Chiara Malformation, Syringomyelia and Primary Secretary Otitis Media, presented by Dr Georgina Child BVSc DipACVIM (Neurology).

Georgina is one of the only registered specialist neurologists in Australia and has 30 years of experience. Dr. Child is not
