Breeder Referral Program Opportunity

Hi <<First Name>>.

We'd like to let you know about some of the breeder benefits you get via the Dogs West & PD Insurance Breeder Program - exclusive to Dogs West Breeders.

As part of our partnership with PD Insurance, you can now give each of your puppies **FREE STARTER COVER** as they transition to their new home.

PD Insurance gives you a unique breeder code and two online links. You can use these to provide the following to your puppies and other dogs:

1. You can sign your puppies up with **FREE STARTER COVER**
2. You can refer PD Insurance to other dog owners

What happens next?

PD Insurance will get in touch with you to share more information about how the Breeder Partner Referral Program works. They're there to answer any questions you may have and provide you with support as part of the PD Insurance and Dogs West partnership. The Ts&Cs are available on the PD Insurance website which you may access by [clicking here](#)

Should you prefer not to be contacted by PD Insurance, please reply to this email with "No Thanks" by 1 July 2024.

PD Insurance works with pet owners and breeders and understands how much time, effort and knowledge goes into breeding and raising healthy pups. The PD Insurance Breeder Program is designed to support your work by giving more puppies a healthy start in life.

Kind Regards
