## Canteen Closure

Due to unforeseen circumstances, the Canteen at the Dogs West grounds will be closed on July 6 and 7, 2024.

Starting July 6, 2024, clubs may seek alternative catering services. Please note that any catering service must be registered with the City of Gosnells as a food business. Clubs are also welcome to fundraise by hiring the BBQ and offering a menu that complies with Sausage Sizzle requirements. To request a copy of these requirements, please email [k9@dogswest.com](mailto:k9@dogswest.com).

Dogs West has initiated an Expression of Interest for a new Canteen Service. This opportunity will be widely advertised over a six-week period. We are sorry to confirm no canteen service will be available until a new provider is appointed.

## From Dogs Australia

Referral Program.

Via this partnership, new puppy parents can get up to seven weeks free cover for their fur baby. This is a combination of three weeks FREE STARTER COVER plus one additional month free if new puppy owners sign up for a paid PD pet insurance plan.

Dogs West breeders can automatically provide clients with three weeks of FREE STARTER COVER to protect their new puppies. If the owner opts to take out a paid PD Insurance plan after the Starter Cover period, they also get their first month FREE - making a total of nearly two months free cover.

For every puppy owner that takes up a paid PD Insurance plan after the three-week free cover period, Dogs West breeders earn a \$100 referral reward.

FREE STARTER COVER is designed to help cover the costs of tests and treatment, helping give these puppies a great start in life. This initial period of free cover allows the new owner to settle in their fur baby with fewer worries about the costs related to unexpected vet bills.

As we all know, puppies and dogs routinely experience bone fractures, cuts and bites along with a [myriad of other accidents](#). They can also experience any number of illnesses including infections, skin conditions and gastrointestinal issues

After consultation with the National Breed Standards Coordination Group, please find attached the updated Ramp/Table/Ground breed listing as referenced in Regulations Part 5 – Conformation Shows Clause 2.7. The following FCI recognised breeds have been added:

Group 4 – Porcelaine. Ground or Ramp

Group 5 – Mudi – Ramp or Table

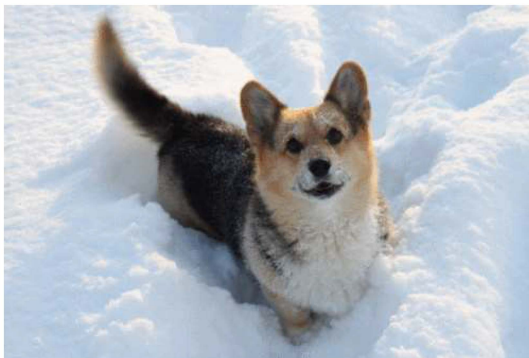

Group 6 – Yugoslavian Shepherd Dog (Sharplanina) – Ground

The updated listing is available from the Dogs Australia Website [here](#).
