## REGULATIONS PART 9 - NON RESIDENT JUDGES AMENDMENT - EFFECTIVE 1 JANUARY 2025

In accordance with Item 7.5.13 of the October 2024 Board meeting minutes, the following amendments have been made to Sections 1 and 2 of Regulations Part 9 – Non Resident Judges and these amendments will be effective from 1 January 2025.

### **1. General Regulations– All Judges**

- 1.1 A Non Resident Judge must be able to verbally communicate with exhibitors to a degree that their directions and decisions are clearly understood or have a competent interpreter.
- 1.2 If a Non-Resident Judge is unable to read English, the **Club Affiliate or Organisation** conducting the event is to provide an assurance that all ANKC Ltd Rules, Regulations, Policies, Procedures and breed standards have either been translated in writing into a language understood by the Non-Resident Judge or communicated orally. **The assurance, signed by both the Affiliate or Organisation and the judge, must accompany the application.**
- 1.3 The Affiliate conducting the show must have some knowledge of **the** Non Resident Judge and their background and ability to judge.

### **2. Regulations – Conformation Judges**

~~2.1 A Non-Resident Judge must be approved and have awarded in their Country of Residence Challenge Certificates, or their equivalent to a minimum of 70% of the Major breeds\* in each group as per the ANKC Ltd recognised Group/Breed list. A judge approved to judge 70% of the major breeds within a Group may judge the whole or part of the Group if split. (05/05) (Amended 10/22, 5.2, Effective 01/01/2023)~~

- 2.1 Unless forbidden by the Regulations of their Country of residence, for a Non-Resident Judge to be approved to judge Group Specials in Australia, but not the individual breeds for which they are not approved at breed level, they must be approved and have awarded in their Country of Residence Challenge Certificates or their equivalent, to a minimum of 70% of the Major breeds\* in each group as per the ANKC Ltd recognised Group/Breed list.**

**\*Major Breed** a breed that has an average of 60 plus registrations over the last 3 years as recorded on the Dogs Australia Website.

- 2.1.1 Best in Show at Championship or CACIB Shows can only be judged by judges who are approved to judge Best in Show in their Country of Residence, provided that judge is approved by ANKC Ltd to judge at least 4 Group Specials in Australia**

Alternatively, should a judge from a non FCI Country be able to judge 70% of the Breeds in each of the 7 Groups as per the ANKC Ltd recognized Group/Breed list, the ANKC Ltd may then grant permission for that judge to judge Best in Show. FCI Judges Regulation 2 e prevents this alternative being applied to FCI Judges.

### **Delete current 2.2 as it is a duplication of current 2.1**

~~2.2. A Non-Resident Judge must be approved and have awarded in their Country of Residence Challenge Certificates, or their equivalent, to a minimum of 70% of the Breeds in each group as per the ANKC Ltd recognised Group/Breed list. A judge approved to judge 70% of the breeds within a Group may judge the whole or part of the Group if split. (05/05)~~

- 2.2 Notwithstanding the provisions in 2.1 the following Regulations are currently applied by individual National Canine Organisations.**

## **FCI**

In accordance with FCI Show Regulations 2 e, judges from FCI National Canine Organisations—may under no circumstances agree to judge a breed at any show for which they are not approved by their own NCO (National Canine Organization) and for which they are not listed in the FCI Judges Directory. The same applies for judging at Best in Group and Best in Show level.

When seeking approval to judge at an FCI International Show in Australia, a Non-Resident Judge may only apply to award the CACIB to breeds for which they are individually listed in the FCI Judges Directory, failing to comply with this requirement will result in the FCI invalidating the confirmation of the CACIBs incorrectly awarded. For non CACIB breeds listed in Appendix A to these Regulations, including the Australasian Bosdog, Murray Valley Retriever and Tenterfield Terrier, approval may be granted to award Challenges after the judge completes an ANKC Ltd Open Book Examination\* on those breeds.

## **Canadian Kennel Club (CKC)**

CKC Licensed judges are permitted to judge at Championship Shows in foreign countries and issue Challenge Certificates only for breeds that they are licenced for in Canada.

For breeds that are not recognised in Canada, that are listed in Appendix A to these Regulations, including the Australasian Bosdog Murray Valley Retriever, and Tenterfield Terrier, approval may be granted to award Challenges, after the judge completes an ANKC Ltd Open Book Examination\* on those breeds.

At FCI International CACIB Shows CKC judges are only allowed to judge and award CACIB's to the breeds that they are approved to judge at Championship Shows in Canada. For breeds that are not recognised in Canada but are recognised by both ANKC Ltd and the FCI on a definitive basis, and are listed in Appendix A to these Regulations, including the Australasian Bosdog Murray Valley Retriever, and Tenterfield Terrier, approval may be granted to award Challenges, after the judge completes an ANKC Ltd Open Book Examination\* on those breeds.

## **The Royal Kennel Club (UK)**

Where an applicant is approved by the Royal Kennel Club, to judge a group or Groups at Championship Show level, and has Open Show experience or has issued Challenge Certificates outside England, subject to compliance with 2.1, may be approved to judge at Group level in Australia for those groups/breeds so qualified, subject to the Non-Resident Judge providing the details required, listed as follows:

For breeds that are not recognised by the Royal Kennel Club, listed in Appendix A to these Regulations, including the Australasian Bosdog, Murray Valley Retriever and Tenterfield Terrier, approval may be granted to award Challenges after the judge completes an ANKC Ltd Open Book Examination\* on those breeds.

## **American Kennel Club (AKC)**

AKC Licensed judges are permitted to judge at Championship Shows in overseas countries and issue Challenge Certificates only for breeds that they are licenced for in the USA. For Miscellaneous and FSS

(Foundation Stock Service Breeds) and breeds that are not recognised by the AKC, listed in Appendix B to these Regulations including the Australasian Bosdog, Murray Valley Retriever and Tenterfield Terrier, approval may be granted to award Challenges after the judge completes an ANKC Ltd Open Book Examination\* on those breeds.

At FCI International shows, AKC judges are eligible to judge and award the CACIB provided that the following conditions are fulfilled:

1. The breeds they are scheduled to judge are recognized by the AKC (this does not include Miscellaneous and FSS).
2. They are allowed, under AKC regulations, to judge the breeds in question at AKC events and award them championship points.

**NB** \*Open Book Examinations will be compiled by the Overseas Judges Approval Board, will be available on the Dogs Australia Website, the completed examinations must accompany the initial application for approval

### **2.3 Now not relevant, delete in its entirety**

~~2.3. Where a Non Resident Judge has been invited to judge a single breed, or up to three breeds at any one show then that person must be approved and have awarded in their Country of residence Challenge Certificates, or their equivalent, for that or all breeds to be judged. Where the two and/or three breeds comprise the whole show and a Non Resident Judge has been invited to judge Best in Show at the show, the Non Resident Judge must be approved and have awarded in their Country of residence Challenge Certificates to one of the breeds and must have Open Show experience in each of the other breeds, to be approved to judge Best in Show. The Open Show experience must be at least three (3) shows per breed, with a total number of dogs judged for each breed to be at least 100. (10/99)~~

### **Delete current 2.4 now covered by 2.1.1**
